

Outside Sales Account Manager, we are looking for confident sales people to develop opportunities for selling our computer and network solutions. Through presentations, negotiations, and partnering with the service and sales organization, you will help identify and close IT sales opportunities together with our highly skilled support team to create long-term customer relationships.

Qualifications for this position: minimum of 1-3 years of successful sales experience, excellent communication, organizational skills, the desire to work hard for a great return, strong interest or background in technology a plus.

Annual earnings potential is great, base salary and commission plus a comprehensive benefit package. Hub Technical Services is a leading HP/Cisco/Sonicwall reseller and service provider and offers an excellent team atmosphere with opportunities for continued training and education.
