**Public Sector Elite Status Effective HP Q1 FY09 (November 1, 2008)**

Dear Valued HP Partner,

The Public Sector Elite designation is reserved for our most out-standing partners supporting the Public Sector market. The requirements to meet the Public Sector Elite designation are demanding and the HP benefits for qualified Public Sector Elite partners are compelling. Our goal is to reward those partners significantly invested in HP, as demonstrated through market expertise and revenue attainment.

We have recently conducted a comprehensive evaluation of the HP Public Sector Elite designation. This involved a thorough review of each partner.

**As a result, we are pleased to inform you that your location has been approved as an HP Public Sector Elite partner throughout HP's 2009 fiscal year. Your Public Sector Elite status will remain effective until October 31, 2009.**

Thank you for your continued support of Hewlett-Packard. We look forward to a mutually successful FY '09!

Sincerely,

Public Sector and Diversity Partner Programs  
Hewlett-Packard
